

# **Mine Hill Board of Education**

## *District and Board Goals*

### **2021-22 District Goals**

#### **Culture and Climate**

- Continue to develop and implement a school-wide Social Emotional Character Development program that is unique to our needs and positively impacts the mental health of families, students and teachers.

#### **Students Achievement/Instruction**

- Provide professional development to build teacher capacity to better support changing demographics within the district
- Identify the challenges our students and families face, and implement programs to support the interconnection between the home and school

#### **Finance/ Facilities**

- Schedule and manage the approved bond referendum construction and maintenance projects

#### **Technology**

- Build teacher capacity in using and integrating appropriate digital learning tools and provide the necessary technology support needed to maximize learning experience for students.
- In the 2021-22 school year implement the action items identified in year two of the district's three-year technology plan.

### **Proposed 2021-22 School Board Goals**

- To complete the NJSBA Board Self-Evaluation.
- To continue to raise public awareness and appreciation for the district.
- To participate in relevant NJSBA training towards Board Certification.
